<p>MORRISBY PROFILE 3.5 hours face to face</p> <p>Test, soft copy and 1-hour feedback per candidate</p> <p>(BD195 2-4 candidates) (BD165 5-10 candidates) (BD120 11-15 candidates)</p> <p>Morrisby Profile is one of the most widely-known systems used in careers guidance today. For over 50 years the Morrisby Profile has been at the forefront of assessing aptitudes, learning styles and personal working styles, to inform career choice.</p> <p>The scores on the assessments allow students to be compared with each other through an appropriate norm group. The shape of the resulting psychological ‘profile’ is used to show student’s own strengths and underlying abilities. The scientific analysis of this profile provides genuine insights into potential future work performance, which goes far beyond any analysis of interests alone.</p> <p>Who is it for? The Morrisby Profile has been designed to help individuals who are making important decisions about their future education and/or career. For trained HR professionals it is also useful for making selection decisions. It also provides a powerful system for assessing job applicants.</p> <p>https://www.morrisby.org</p>	<p>BD200</p>

COMMENDATIONS

"The Morrisby Profile has established itself as one of the best and most useful psychometric tests for those wishing to decide on a career or further/higher education path."

David Ritchi, Director of Careers, Education, Information Advice & Guidance, HCS Ltd

"Before taking the psychometric test I never really quite figure out what I wanted and what my abilities are, but after taking it and receiving the feedback it gave me a much clearer vision of the path I am to take in order to realise my dreams, it told me what I needed to hear...the psychometric test reassured me of my decisions and helped me take one step closer to achieving my goals."

Shifa'a Al Sairafi, age 16,

"I believe that with her analysis and discussions of the results, my daughter is well on her way to make the best choice for her career. Clare's added inputs based on her experience, genuine helping attitude and excellent counseling skills made the difference. I would definitely recommend BECKETT MCINROY CONSULTANCY to all those who would like to have such profiling done. "

Shaukat Lookhandwala, GM (Finance) at Al Haji Hassan Group B.S.C. (c)

"A qualified professional leader, Psychometrists and researcher who performs her role with a focused vision, enthusiastic team spirit and results oriented mission while demonstrating clarity in communication... sincere interest in contributing to the learning and development of talent."

Nezar Al Basri, PhD, Founding Owner & Chief Executive Consultant, Tamioz
